

Communication Essentials in Today's Workplace: Building Stronger Teams

About This Course:

This 2-day course, Communication Essentials in Today's Workplace: Building Stronger Teams, is designed to help you become a more effective and persuasive communicator — whether you're interacting with colleagues, customers, or supervisors.

Through hands-on activities, real-life scenarios, and guided role plays, you'll explore how communication works, what gets in the way, and how to deliver your message clearly across different platforms — face-to-face, written, or digital.

1. Structure your messages to achieve desired outcomes
2. Choose the right communication tools for the situation
3. Listen actively and use emotional intelligence to build rapport
4. Ask the right questions to avoid misunderstandings
5. Present your ideas clearly and confidently.

This course doesn't just cover "what" to say — it focuses on "how" to say it effectively in the workplace.

You'll walk away with practical tools and strategies you can apply immediately to improve your professional interactions and build stronger working relationships.

Whether you're new to the workforce, returning after a break, or looking to sharpen your soft skills, this course offers a supportive and interactive environment to boost your confidence and capability.
